

# ProfitKey Announces New Website Launch

**Salem, NH, September 29, 2020** – ProfitKey, a leading provider of ERP solutions and services for small and medium-size custom manufacturers and job shops, today announced the launch of their new website – [www.profitkey.com](http://www.profitkey.com). The new website expands the information available to their visitors by increasing the amount and types of information available and by simplifying website navigation.

"We are thrilled to debut our new company website to our current and prospective customers and partners," said Kevin O'Keefe, ProfitKey's CEO. "This website redesign truly expands the information available to our visitors in one place and allows for each visitor to have the same experience and access to information on how ProfitKey ERP can help small to mid-size custom manufacturers operate more efficiently, save money, and drive higher levels of customer satisfaction."

ProfitKey's new website will be updated on a regular basis with news of product launches, new product offerings, support information, downloads, customer success stories, and corporate milestones. Visitors are encouraged to explore the website at [www.profitkey.com](http://www.profitkey.com).

### ABOUT PROFITKEY

Founded in 1979, ProfitKey provides integrated ERP/MES solutions and services designed for small and medium-size manufacturers and job shops operating in make-to-order, make-to-stock, engineer-to-order, and other discrete manufacturing environments. These proven solutions are designed to improve operational performance, control costs and enhance profitability.

ProfitKey's full-featured solutions are supported by the industry's most experienced professionals who help customers transform and grow their businesses.
